On behalf of the SEG Board of Directors and SEG Technical Program Committee I wish to congratulate you on your excellent technical presentation titled, "Towards practical Bayesian inversion of geobodies using geologic priors," presented during IMAGE 2021 – the International Meeting for Applied Geoscience & Energy. Your research and preparation were also noticed by your fellow SEG members who judged your paper, ranking it in the top 25 of 709 papers presented at the meeting.

It is technical presentations such as yours the SEG would like to offer to its Sections and Associated Societies. The SEG Board strongly encourages you extend an offer one of these groups to present your paper. A list of Sections and Societies affiliated with SEG and their contact information is attached.

Once again, thank you for your excellent contribution to the 2021 Technical Program and for considering participating in the exchange of geophysical technology, in the manner described above. I appreciate the time and consideration you are giving this initiative. Should you have any questions on the criteria used for judging please refer back to the Abstract Kit.

Sincerely,

Jim White

Executive Director
